

APPLY FOR THE EBBE LYTH SCHOLARSHIP!

Grant 30 000 SEK

The scholarship is awarded for the best project at master's level focusing on refrigeration and heat pump technology during 2025.

Write a justification why your thesis should be rewarded. Also attach the degree report and a copy of the grade for the approved degree course. Your details such as name, social security number, address, e-mail and telephone number must be included. The thesis must be approved in Ladok no later than mid-September.

The application shall be sent no later than October 1 to: info@kys.se

The thesis should focus on refrigeration or heat pumps and contribute to high quality or safety, a good working environment or reduced climate or environmental impact linked to cooling and heat pump technology, or the thesis should aim to raise the level of competence among those who install, repair and service cooling and heat pumps.

The Jury

A jury will assess the thesis and select the winner. The members of the jury are Joachim Claesson, KTH, Fredrik Strengbohm, Assemblin och Viktor Ölen, SKVP. The jury's decision cannot be appealed. The jury's final assessment will be announced at the Swedish Refrigeration & Heat Pump Day in Stockholm on November the 6th.

Do you have any questions?

Please do not hesitate to contact Daniel Rylander, Daniel.rylander@skvp.se.

We look forward to your application!

Kylbranschens Samarbetsstiftelse (KYS) is founded by Svenska Kyl & Värmepumpföreningen, Svenska Kyltekniska Föreningen och Kyl & Värmepump Importörerna.
